

- USMC Logistics Command (LOGCOM) has completed the acquisition planning process for the Marine Corps Logistics Services (MCLOGS) Contract. Formal Acquisition Strategy was approved on 14 Jan 2010.
- LOGCOM envisions initiating Pre-solicitation contract actions for awarding potentially three suites of multiple award contracts for logistical labor support. Anticipated awards to include:
 1. An 8(a) SB set aside suite of 3-5 contracts for Task Area (TA) 3 for IT Daily Operations;
 2. A SB suite of 3-5 contracts for TA 2 for Quality Assurance & TA 8 for Support to LOGCOM Centers plus requirements estimated at < \$100,000.00 in all TA's except TA 3;
 3. An Unrestricted suite of 3-5 contracts covering the full range of logistical services except TA's 2, 3, & 8 requirements > \$100,000.00 that are in the above Restricted SB 8(a) and Restricted SB Suites.
- Draft solicitations are anticipated to be issued later this spring.
- SB desiring to be part of the Unrestricted Suite are advised to prepare offers in both Suites for evaluation purposes.
